Mr Jimmy Li  
The Chinese Professionals Club of Australia  
6 Lechte Rd  
MOUNT WAVERLEY VIC 3149

Dear Jimmy Li

**2012 CLEAN UP AUSTRALIA DAY**

I wish to thank you and the The Chinese Professionals Club of Australia group for participating in this year's Clean Up Australia Day at Jells Park.

You were part of an incredible achievement by Monash residents, students and businesses. Over 210 bags of litter, recycling and dumped rubbish were collected across 42 sites. This means you were instrumental in removing more than one tonne of litter from our local streets, waterways and parks – creating a cleaner environment for us all to enjoy. Many sites reported less rubbish than in previous years, so congratulations on your continued effort at reducing waste in Monash.

Please find enclosed a certificate to acknowledge your great work. Again, thank you for being a part of Clean Up Australia Day and the City of Monash looks forward to your involvement next year!

Yours Sincerely,

April Williams  
Waste Services Project Officer  
Monash City Council

Thank you for being part of Clean Up Australia Day
